

BHSU Spam End-User Web Interface FAQs

The [End-User Web Interface](#) (EUWI) is available from on and off campus. To login please use your email address and password. Faculty and staff format is FirstnameLastname@bhsu.edu. Once correct information is provided, click "**login**." Once logged in you can manage your quarantined messages.

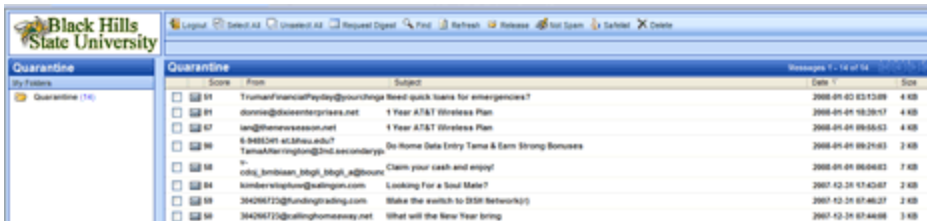

Login

Password:

Quarantine shows all messages that have been quarantined due to meeting Spam or file filters. To deliver messages from your quarantine, **check the box** beside the appropriate message, and select **Release**. If you want to deliver the message and add the sender to the Safe Senders list, select **Safelist**. To discard the message, select the message and click **Delete**. To delete all messages click Select All, and click **Delete**.

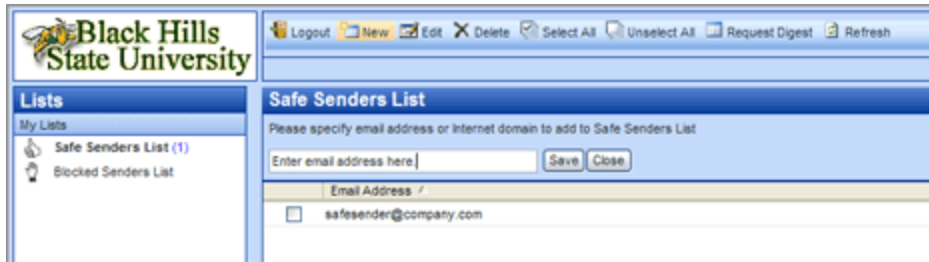

The **Find** feature allows you to search your quarantine folder for messages based on sender address, subject, and time of message.

Lists>Safe Senders List are senders that you always wish to receive mail from without having to deliver the message from your quarantine.

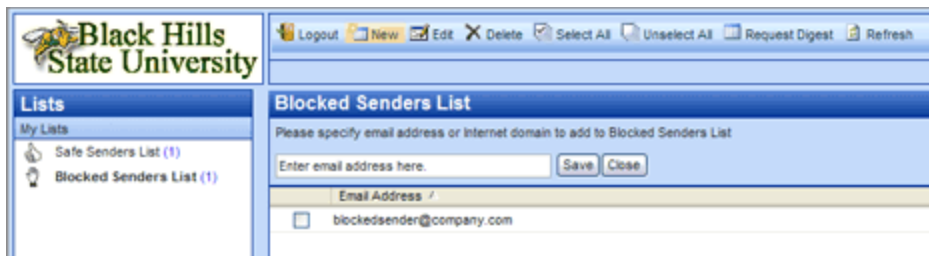

To approve senders, click **New** and type the **email address** of the sender you want to add, and click **Save**. You may also add a sender by selecting Safelist when you deliver the message from Quarantine.

BHSU Spam End-User Web Interface FAQs

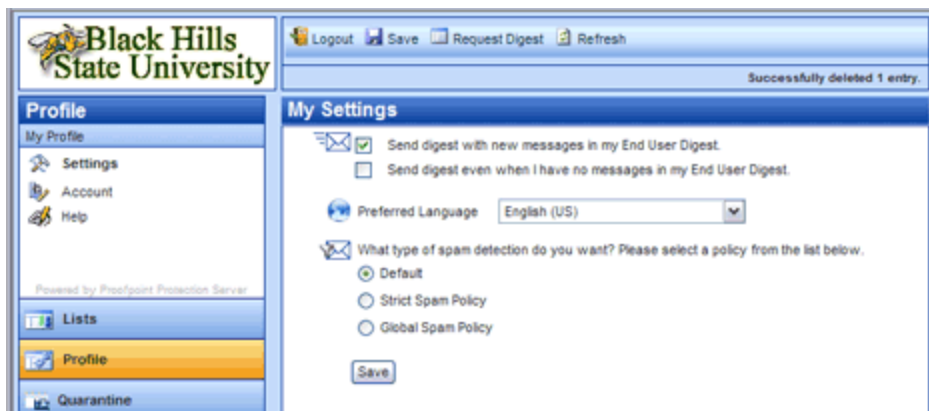

Lists>Blocked Senders List are senders that you do not want to receive mail from. Mail from blocked senders will be quarantined and deleted after 14 days.

To add block senders, click **New** and type the **email address** of the sender you want to add, and click **Save**.

The **Profile** tab gives users ability to control the type of messages they receive about quarantined items and the ability to select what spam policy they want.

If you have any questions about the EUWI or email policies, please contact [Network & Computer Services](#).

Quarantined Digest Instructions

Quarantine Digest messages are sent daily at 8:00 AM. Digest are only sent if you have messages in quarantine. Messages can be delivered from this digest by clicking Release, or Safelist to deliver and approve the sender. To report a message that is not spam, you can click Not Spam. You can also choose to view the message without releasing it from Quarantine by selecting View from the digest.

At any time, you can request a new digest of quarantined messages by clicking Request New End User Digest from any previous digest message.

BHSU Spam End-User Web Interface FAQs

You can login to your end user web interface by clicking Manage My Account.

 **End User Digest: 33 Total Messages**
For Brian Ewald (brian.ewald@bhsu.edu)

The emails listed below have been placed in your personal Quarantine since you received your last End User Digest. They will be deleted after 14 days. To deliver an email to your inbox, click on Release. To deliver an email to your inbox and add the email sender to your Safe Senders List, click on SafeList. This ensures that no emails from that sender will be blocked in the future. To report messages that are not spam but are reported in the digest, click on Not Spam. MyAccount login instructions: Your user name is your full email address, including the domain name. Your password is your normal email login password (ex. John@Smith@bhsu.edu)
